Have you come to sing Pumpkin Carols?

—Linus

It's the Great Pumpkin, Charlie Brown

Hello Fellow Drivers,

The month of Halloween is upon us. With the outbreak of VS so prevalent this year, we all but came to a full stop regarding any driving activities and events. But have no 'fear', your Board has been hard at work making a mad dash to the driving year end by planning several events in the next two months. As long as the weather holds and there are enough participants, we can end the year on a high note and in good 'spirits'. So, dust off the 'cobwebs', polish the brass, and come gather for a few more rounds before winter.

In the coming pages there are several items including two clinics, one 2-phase show, and the Halloween Fun Drive, and the Parker Christmas Parade. Read carefully so you don't miss a thing!!!

Vickroy's Carriage Driving Biography

Vickroy started driving as a child after braiding his first harness out of baling twine for his Shetland/Welsh ponies. He adopted the Classic English style of driving in the mid-70's while driving a pair of Arabian Endurance horses for conditioning purposes. This style has been his foundation rein style for driving Singles, Pairs, Tandems, Randoms, Four-in-hands, as well as Six and Eight in hand.

An avid driver-for-fun, he helped introduce Combined Driving to Colorado and has been at the fore front of CDE's since the very early 1980's as well as a Pleasure Show driver since the mid 1970's, competing with singles, pairs and tandems. After entering the national level of competitive driving through the ADS and the USEF, he became a FEI Level Combined Driver and was an alternate Pair driver for the 1997 World Pairs Driving Championship in Reisenbeck, Germany. He has also successfully competed Pairs, Singles, and Tandem at the World-Famous Walnut Hill Pleasure Show in up-state New York.

Parker Christmas Parade

Join the Parade!

On the second Saturday of December each year, the Town of Parker in partnership with the Colorado Driving Society and Parker Trail Riders hosts the Christmas Carriage Parade.

On Saturday, Dec. 14 you are invited to be more than a spectator and enter the parade!

The Christmas Carriage Parade is open to equestrian entries and Parker area High School marching bands. This parade does not allow any motorized vehicles.

There will be no entry fee charged to private entries that do not charge for their services and do not display any type of advertising, other than for a not-for-profit group. Commercial entries are \$100 and may display advertising for their business on their hired carriage or horse group. **All applications are due Nov. 15.**

If entering the parade is not for you, but you would like to support the event, parade organizers are always looking for volunteers with horse experience to assist on event day!

Please visit www.parkeronline.org/carriageparade for an entry form or contact Brooke Spain at bspain@parkeronline.org or 303.805.3253 for more information on how you can be a part of the 2019 Christmas Carriage Parade.

The 2019 Colorado CDE and Vesicular Stomatitis

After careful consideration of the facts on VSV in Colorado, and in order to protect our competitors and their horses, **the organizing committee of the Colorado CDE has reluctantly decided to postpone the 2019 Colorado CDE until 2020.**

Vesicular stomatitis virus is a reality in the horse world, with outbreaks cycling through the US every 4-10 years. Colorado is being particularly hard hit this year, with the in-state impact continuing to worsen.

While VSV isn't the most threatening disease a horse can face, it is uncomfortable and contagious, causing discomfort and loss of weight and condition, as well as the possibility of laminitis. The virus is spread by flies and other insects, and has a 2-8 day incubation period. This means that a horse could be infected and leave for home before showing symptoms, and therefore infect its home herd.

In addition to the physical impact on infected horses, we are concerned about the inconvenience of competitors' horses being quarantined in Colorado and possible difficulty in returning horses to their home states.

We want to safeguard your horses' health and soundness so they can join us next year for a bigger and better event with improved arenas, exciting new hazards, and marathon and cones routes by international course designer, Richard Nicoll. We look forward to seeing you in 2020!

[Note: Competitors who have submitted their entries will receive a full refund.]
