It is better to be a young June bug than an old bird of paradise.

Mark Twain

FROM THE EDITOR:
The weather is warming (between the wintery squalls that keep coming through) and the grass (and weeds) are growing tall. I hope this finds all of you well and getting ready for a marvelous season of driving. Your Board is working hard to plan many fun and educational opportunities. As always, volunteers are needed and greatly appreciated. When you look at the calendar, even if you won't be driving in the event or you are BRAND NEW to this sport, please consider coming to help out. If you don't have clue what to do; no worries; there will be people there to initiate you into the world of driving. I know from my early years of driving, being a volunteer and/or navigator/groom, I learned so much simply by being among the competitors/participants. So, rub on the sunscreen, find a wide brimmed hat, fill a large thermos with ice water, wear comfortable shoes and come join the fun!!!

Safety Vest Rule Clarification

After some discussion in the Annual Members Meeting the ADS Board of Directors clarified the Safety Vest rule that goes into effect on January 1, 2019, remove previous wording regarding "applicable International or Domestic standards": To require protective vests for everyone participating on a carriage during a marathon or any competition that includes marathon-type obstacles starting January 1, 2019. Junior requirements would be unchanged.

NEW! ADS Preliminary Calculated Championships

In other exciting news, Marc Johnson and Mike Arnold proposed to create the ADS Preliminary Calculated Championships starting in 2019. Dave and Esther R. "Boots" Wright will extend their generous sponsorship of the Intermediate Calculated Championships to the Preliminary Calculated Championships, as well. This program is intended to recognize, encourage and inspire drivers in ADS-recognized Combined Driving Events in the Intermediate and Preliminary divisions. The program is designed to enable these drivers to measure themselves against others at the same level of proficiency, acknowledging that it is not practical for them to meet to compete head-to-head because of the size of our country. Simply, if an ADS member drives in the ADS Preliminary

Rocky Mountain Carriage Club
Second Sunday Fun Drive & Navigator Clinic
Capitol Park Farm, 10024 Lookout Rd, Lafayette, CO
Sunday, June 9, 2019

Our June Second Sunday fun drive is June 9, 2019 and will also include a navigator clinic and talk done by Denise Loewe. Denise is a club member and an experienced competitor and navigator. She has graciously offered to talk about being a navigator, what to do, how to do it and stay safe at the same time. Our Hosts for the day are Jan & Clyde Canino.

The plan for the day will be:

Gates will open at 9:00 AM. Plan to arrive then and get your horses ready to drive for the fun day.

The Navigator talk and clinic will start about 10:00 AM. Denise will give a little talk; then after the horses are hitched and warmed up, we will move to the hazard area. Anyone wanting to volunteer as a navigator and learn the "ropes" can get on a carriage and experience the thrill.

Denise will teach and guide those who want to learn this driving skill.

In addition, there will be driving for those drivers who just want to drive the property and not participate in the clinic.

Some additional rules:

Helmets will be required for all drivers, passengers and navigators.

If you have a safety vest, bring it and plan to wear it for the clinic.

There will be a $10 facility fee/turnout for the day.

If you are coming to just participate in the clinic and NOT DRIVE, there is a $20 fee. Remember your helmet if you plan to get on a carriage.

Bring a chair, your lunch and drinks to enjoy a meal with the group after the drive is over.

PLEASE LET US KNOW IF YOU ARE COMING, EITHER TO DRIVE AND/OR PARTICIPATE IN THE CLINIC. Call or mail this notice, information and money to: Nancy Bruckhauser, 9629 County Rd 11, Longmont, CO 80504. Money can be collected at arrival too.

RMCC Gerd Clinic
July 5 & 6, 2019

"Gerd" Wicht from Sterley, Germany's Arabofriesen Besamungsstation Quellenhof will be coming to Colorado July 2-16, 2019. He has agreed to a clinic for Rocky Mountain Carriage Club at Silver Whip Farm in Fort Collins, CO on July 5 & 6, and then one for Colorado Driving Society on July 7 @ Salisbury Park in Parker, CO. We welcome Gerd back for his fourth Colorado Clinic to share his extensive carriage driving experience in pleasure and combined driving; singles, pairs, tandems, and four-in-hands; Achenbach rein handling with or without a reinboard.

The first lesson will be at 8:30 each morning with 8 lessons per day. Each lesson is 50 minutes with an hour lunch break. Lunch will be available for pre-purchase (see entry form) at $10 per person per day. Please specify on the entry form which day or days you are purchasing lunch. Lunch will be made by our hosts Carole & Mike Ackerman, so please no special orders. You may opt to bring your own lunch and join us on the porch. Please use the entry form to order lunch(es) for yourself, your groom/navigator (two navigators if you drive a four-in-hand) and/or for auditors and audit spots also. Auditors can use the entry form to claim an audit spot at the clinic and to order lunch.

Please include releases with your entry form for the driver(s), and one groom/navigator (two if you drive a four-in-hand). Additional grooms or guests will count as auditors and will each need a release form too. Auditors are welcomed. Auditor fee is $20. The audit fee entitles the auditor to attend both days, July 5 & 6th. There is no reduction in fee for only attending one day.

All drivers must be RMCC members. The entry form has a place where you can join. Auditors and grooms need not be members.

Please park in the trailer lot at the south side of Silver Whip Farm.

I hope to see you all there,
Organizer Sharyl Thombs

Club Member News: **A new rule was instituted at the May 2017 membership meeting:**

HELMETS SHALL BE REQUIRED AT ALL RMCC EVENTS FOR WHIPS (DRIVERS), NAVIGATORS, AND PASSENGERS PARTICIPATING IN HORSE-RELATED ACTIVITIES ON WHEELS OR WHEN MOUNTED. HELMETS WILL BE STRONGLY RECOMMENDED AT ALL OTHER TIMES. This does includes driven dressage competitions too when hats were the tradition. In addition to our club rule, Raptor Ridge also has the same rule in place at their farm. The Canino's Capitol Park Farms is stricter. At the Canino's Capitol Park Farms HELMETS ARE REQUIRED AT ALL TIMES WHEN HANDLING HORSES. This includes the long lining and de-spooking clinics even though you are on the ground, as well as when mounted or on the carriage. Accidents can happen anytime. Let's stay safe.

For Sale- Really nice Buckskin Pony

He's a sweetheart, haven't driven him in a couple of years until today. He was awesome! I have several videos I will put on YouTube. It seems like he likes to pull the cart! He has a nice walk and trot and can extend his trot. He's 12 hands, a gelding, 18 years old and perfectly sound! We are pretty particular who he goes to as the perfect home is a must. I'm not selling him as a riding pony; a kid would just out grow him and he would get passed on again. 'Duke' comes with leather harness, easy entry black cart and his winter blanket. He's only blanketed if it gets below zero. He's very hardy and grows a thick coat but sheds it all in the spring and gets slick and shiny. He's a Quarter Horse/Shetland cross.
